

## Punch.ev

The Punch.ev is a compact electric SUV built on the pure EV architecture, Acti.ev delivering advanced technology, and remarkable performance. With a smart compact footprint, it's perfectly suited for urban adventures. It offers features typically found in vehicles two to three segments above, democratizing high-end technology and features for a wider audience. The energetic color palette is enhanced with vibrant and bold new shades: Pure Grey, Fearless Yellow, and Terracotta Red. These youthful additions complement the existing dynamic options of Empowered Oxide, Seaweed, Fearless Red, Daytona Grey, and Pristine White.

### Key Highlights

Punch.ev offers a versatile, feature-rich package with premium features typically found in higher segments:

- **Design:** - Smart digital lighting with welcome & goodbye signature; LED DRLs and Fog Lamps, R16 Diamond Cut Alloy Wheels; Digital Design with 2-Spoke Illuminated Steering Wheel.
