

for immediate use

PRODUCT NOTE

Tata Yodha CNG

The Tata Yodha is a powerful and robust pickup that ensures faster turnaround time for businesses. Built with rugged aggregates and superior all-terrain capabilities, it tackles tough terrain with ease. The pickup offers enhanced driving comfort with ergonomic seats and a spacious cabin, making long hours on the road more comfortable for drivers. The Yodha's durability and efficiency have made it a preferred choice for last-mile delivery. Tata Yodha CNG maintains the Yodha's signature toughness while offering significant cost benefits through CNG. With an impressive range of 460 kilometres, customers can ensure uninterrupted operations and lower running costs. Its muscular design and bold styling, combined with the economic advantages of CNG, make it an attractive option for customers looking to reduce their operating costs while maintaining high performance.

USPs:

- Best-in-class range of 460+ km on a single fill, with 180 litre CNG tank
- Best-in-class performance with higher engine power and torque
- High driver comfort with bucket seat with headrest, HVAC, Power window & 7" infotainment

- ADAS with Driver Distraction, Driver Drowsiness, Pedestrian Collision warning (PCW), Front Collision warning (FCW), Lane departure warning system (LDWS), Driver Face ID, Driver distraction video recording
- Fleet Edge with 31 Connected vehicle features with 5+ unique features
- 1st Ever base engine-driven RMC through an Electromagnetic Clutch Pulley, replacing the traditional slave engine drive

Applications: Ready mix concrete

Technical specifications:

Parameter	Dimension
GVW (kg)	3490
Overall Length x width (mm)	5385x1843
Payload capacity (kg)	1500
Wheel Base (mm)	3150
Brakes	Front Brakes: disc brake with Twin pot caliper, Rear Brake: drum brake
Suspension	Front and rear suspension: semielliptical type
Steering	Hydraulic Power Assisted Steering
Engine	4SP CNG
Max. Power & torque	75hp & 200Nm
Fuel tank capacity	180L (CNG)
Performance	
Max. Speed	80 kmph
Range	460+ km
RMC application	
RMC drum capacity	1 m ³ volumetric capacity
