

ALTROZ iCNG

Tata ALTROZ is the first vehicle made on the ALFA architecture and is India's safest hatchback with a 5 star Global NCAP adult safety rating. ALTROZ has set #TheGoldStandard not only in Safety but also in Design, Technology, Driving Dynamics and Customer Delight. Keeping with the promise of always providing the best, Tata Motors introduces the most advanced and innovative iCNG technology in India.

The ALTROZ iCNG uses first of its kind twin CNG cylinders that are placed above the rear floor and below the luggage carpet so that there is no compromise on the boot space while you enjoy the benefits of CNG. It offers **incredible performance, iconic safety with its intelligent technology and impressive features**

Key highlights:

Incredible Performance

ALTROZ iCNG offers incredible performance with the powerful 1.2L Revotron Engine. The Advance iCNG Technology gives unmatched performance with a perfect combination of Power & Pick-up. The USPs of ALTROZ iCNG's performance are:

- Superior Power of 77 PS
- Torque of 97 Nm
- Easy City Maneuverability
- Effortless Drive in all Terrains

Iconic Safety

ALTROZ built on the ALFA Architecture platform has been proven for safety by receiving the 5 Star Global NCAP adult safety rating. Use of ultra-high strength steel and reinforced body structure gives rigidity to the car. ALTROZ iCNG offers vehicle safety features such as ABS with EBD, Brake Sway control and Corner Stability Control as standard. The important safety features of iCNG are:

- 6 Airbags
- Micro Switch to keep car switched off at time of refuelling
- Use of Advance Materials in iCNG kit to prevent leakage
- Thermal Incident Protection
- Leak Detection Feature
- Fire Protection Device

Intelligent Technology

iCNG technology works effortlessly to ensure a seamless driving experience. From ensuring high performance to lowering maintenance cost, the smart technology is a delight at every turn. Highlights of the iCNG technology are:

- First in segment Twin Cylinder iCNG tanks
- First in segment Single Advanced ECU
- First in segment Direct Start in CNG
- Auto-switch between Fuels
- Faster Re-fueling
- Modular Fuel Filter
- Environment Friendly

Impressive Features

ALTROZ iCNG comes with best in class features that ensures customers' enjoy all the comfort and luxury of a premium hatchback. The top features of Altroz iCNG are:

- Voice activated Electric Sunroof with shark fin antenna.
- Projector Headlamps
- LED DRLs
- R16 Dual Tone Alloy Wheels
- 7" Touchscreen Infotainment by Harman™
- Android Auto™ and Apple Carplay™ Connectivity
- Premium Leatherette Seats
